Dining Service Enhancements

Dear Valued Partners,

Effective March 3 onwards, we have reimagined our services to provide a more tailored and enriched dining experience. Instead of a standard buffet, we now offer a range of curated options to meet diverse preferences and elevate guest satisfaction.

Introducing the New Service Concept: We are delighted to announce the opening of our new dining restaurants, offering an unparalleled dining experience. Guests on All Inclusive, Full Board, or Half Board packages can now order any dish from the menu of these restaurants without restrictions, ensuring a delightful and varied culinary experience throughout their stay.
